

NMC Monthly Catch Report Sheet

FILLING OUT THE CATCH REPORT SHEET

1. Write your name (first name & surname) and the month in boxes at top left overleaf
2. For each session fished, fill in the date, region code, session length (hours), and location.

Region codes are: **1.** English East Coast; **2.** Sussex; **3.** Hampshire & IOW; **4.** Christchurch;
5. Rest of Dorset; **6.** West Country; **7.** Wales;
8. NW England/Scotland/IOM/N Ireland; **9.** Overseas

3. Fill in the weights of all mullet caught (in pounds and ounces only, part ounces rounded down). Please ensure each fish is entered in the correct species and weight column.
4. Rule a line between sessions
5. Record the number of hours spent in blank sessions in the box, bottom left
6. Ring as appropriate: **S** ('Senior') or **15U** ('15 & Under')

TROPHIES & CERTIFICATES

Please note that only fish returned alive to the water are normally eligible for NMC Trophies and Certificates. You should indicate clearly on the form any fish that have been killed.

Certificates will be awarded annually, and fish meeting the qualifying standards will be included on a single bronze, single silver, single gold and single platinum certificate as appropriate, apart from a separate certificate for your season's best specimen

1. Do you wish to claim certificates for ALL your qualifying fish?
2. Do you wish to claim certificates for just SOME of your fish?
In the latter case, please circle each appropriate fish on the weight chart overleaf.

NEWSLETTER & GREY GHOST MAGAZINE

Please use the box below or a separate sheet to record information of interest such as baits, methods, tides, weather, feeding patterns or other observations, particularly anything unusual

If you do not want information to be published in the Newsletter or Grey Ghost, please state

If you do not want information to be used on the website or other external media, please state
(Information will only be published externally in non-specific form)
